JWZ WINS “BEST OF LAS VEGAS”

Las Vegas, NV – J.W. Zunino & Associates is proud to announce that we have won the “2009 Best of Las Vegas” contest for a Landscape Architecture firm. These awards are handed out by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

JWZ is one of the nation’s premiere landscape architecture and land planning companies, and was the first landscape architecture firm in the State of Nevada to belong to the United States Green Building Council (USGBC). JWZ provides the highest quality professional services for the conceptualization, development, and implementation of landscape architectural design, to create the most dynamic outdoor spaces and maximize site potential. We bring a balance between environmental practice and aesthetics to projects varying in scale and scope from public parks and resort planning, to regional master planning and urban redevelopment.
