FOR IMMEDIATE RELEASE

JWZ SELECTED AS LOCAL LANDSCAPE ARCHITECTS FOR SYMPHONY PARK

Las Vegas, NV – J.W. Zunino & Associates is proud to have been selected as the local landscape architecture firm for the Symphony Park project in downtown Las Vegas. They will be working in conjunction with Design Workshop located in Salt Lake City, Utah. This park will be located on a 2 ½ acre portion of a 61-acre site that has been developing within the City of Las Vegas for several years. The site is adjacent to the Union Pacific Railroad tracks, and across the street from the World Market Center, as well as the Clark County Government Center and the Premium Outlet Mall. The site will also house the Smith Center for the Performing Arts, the Lou Ruvo Brain Institute, and The Charlie Palmer Hotel, among other amenities. The name of the overall development is Union Park, and situated as it is in the center of the urban Las Vegas valley, it promises to be a true urban “hub” of music, art, culture, and stunningly unique architecture and design.
