NEXT PHASE OF LONE MOUNTAIN PARK GETS APPROVED BY CLARK COUNTY

Las Vegas, NV – JW Zunino Landscape Architecture is proud to announce that the Clark County Board of Commissioners has approved the funding of the next phase of Lone Mountain Regional Park in Northwest Las Vegas.

This next phase of the 11-phase Master Plan will include amenities such as basketball courts, tennis courts, horseshoe pits, bocce ball courts, a central plaza with shade structures and barbecue grills, and an additional restroom facility. These new amenities will cover a total of 21.5 acres.

JWZ designed the Master Plan for Lone Mountain Regional Park in 2003, and to date two phases have been completed, including the award-winning “Children’s Discovery Park”.
